RESILIENCE

From the Classroom...

Hi Everyone,

Another fantastic week of learning. This week we have been improving our understanding (comprehension) of our reading and our own writing. We are working towards independence in our learning choices by finding good spots in the room to do our work. We are making choices in what we are writing about and who we read with in our read to someone (R2S1) sessions.

In integrated studies we have been working on their self portraits and making our glitter names in art. We have been asking question about the things we enjoy doing and interesting facts about us.

In Maths we have been working on place value and sorting and collating items.

The junior students have been counting and learning how to play board games. Have a game at home!

Miss Mitchell has joined us in the classroom. Miss Mitchell will be working Tuesday-Friday every week. Be sure to pop in and say hi if you are around.

We have had a few issues with our bore. We have been able to secure DET funding to refurbish/replace the bore which will occur over the April school holidays.

School ccouncil looks to be on or around the 7th of March.

Joe Sebire
Principal

Thank you Redesdale Mia Mia Primary School for welcoming me into your beautiful school this week. I have thoroughly enjoyed my first week getting to know everyone. I can't wait for all the learning we are going to do this year. – Miss C.Mitchell

SUPPORT OUR SCHOOL AND GET COLLECTING

coles

We would love your help collecting Coles Sports for Schools for our school. Tell your friends and family to get involved as well, because the more vouchers we collect, the more sports gear our school will receive.

Please help us to collect vouchers for sports gear. Every time you spend more than \$10 at Coles, ask for the Sports for Schools vouchers. You can place the vouchers into our school box at Coles, Woodend, send to school with your student/s or place in the box in the school foyer.
