Hi everyone

Grant applications are now open for the 2020 Science and Innovation Awards for Young People in Agriculture, Fisheries and Forestry. If you're 18-35 and want to make a difference in agriculture, this is your chance to apply for a grant of up to \$22,000 to fund your project that will benefit Australia's primary industries.

Applications close 5pm AEST Friday 4 October 2019.

See below for more information.

Please feel free to pass this information through your networks.

Kind Regards

Jenny Pendlebury

2020 Science and Innovation Awards for Young People in Agriculture, Fisheries and Forestry

Grants to realise big ideas for agriculture from young innovators

Applications are now open for the Science and Innovation Awards for Young People in Agriculture, Fisheries and Forestry, a competitive annual grants program recognising and supporting young Australians aged 18-35 by funding projects that will benefit Australia's primary industries.

Since 2001, the Science and Innovation Awards have helped more than 250 young researchers, innovators and scientists turn their ideas into reality through more than \$4 million in grant funding. **We invite you to put your hand up and be part of something big.**

Are you eligible?

Are you working or studying in an agriculture, fisheries or forestry related industry?

Are you aged between 18 and 35?

Do you have an original research project idea and need \$22,000 to make it a reality?

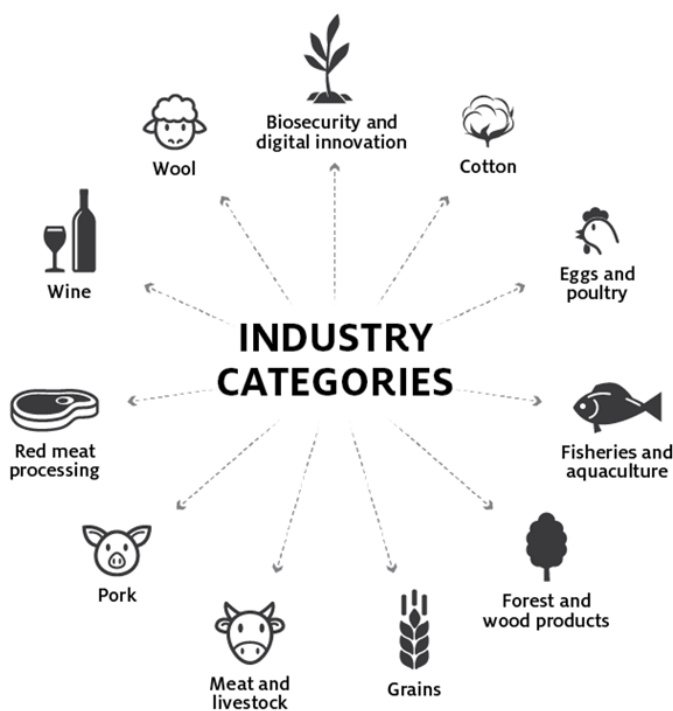

Check the full list of eligibility requirements on the [website](#).

There are 11 industry category grants worth up to \$22,000 (incl. GST) each.

Applications close
Friday 4 October 2019

Interested?

Here's what to do next:

1. Go to [GrantConnect](#) and search for GO2850 for more info and the application form.
2. Check out our handy [questions and answers](#) for applicants.
3. Read the Science Awards [partner profiles](#) to learn more about what they are looking for.
4. Discover what [projects](#) were successful in the previous rounds.

Benefits of being a 2020 Science and Innovation Awards winner

- ✓ Receive a grant of up to \$22,000 (incl. GST) to carry out your exciting project over a 12 month period.
- ✓ Join an esteemed group of previous Award winners and advance your career in research, science and innovation.
- ✓ Meet your Award sponsor, other award winners and industry representatives at the ABARES Outlook 2020 conference in Canberra.
- ✓ The winners in each industry category will also be invited to apply for the Minister for Agriculture's Award, recognising one outstanding extension research project and granting an *additional* \$22,000!

With thanks to our Science and Innovation Awards partners
