SUICIDE PREVENTION AWARENESS NETWORK INC

Tough times pass

SUICIDE

safeTALK

Awareness Workshop

Marong community. Wednesday, November 6. 6pm- 10pm.

Venue: Marong Community Hall, 36 Torrens Street, Marong.

The half-day safeTALK workshop is delivered by a trained LivingWorks Australia presenter to help you recognise signs that someone may be considering suicide. You will learn to respond in a way that links anyone in danger with the right help. You will learn skills such as the basic TALK Steps - tell, ask, listen and keep safe. The safeTALK workshop will prepare you to become a vital link in the community for connecting people at risk with help.

Suicide alert helpers contribute to a suicide safer community.

RSVP: HannahCoghill@bchs.com.au or 5406 1288.

safeTALK workshops are funded by the Suicide Prevention Awareness Network Central Victoria group through the Victorian Government's Pick My Project. Thank you to the Greater Bendigo community for your support in voting for our project to help us highlight suicide prevention.
