

Life On The Land - Our Farming Heroes

As we know life has been very challenging for our Farmers over the last few years. In view of this The Forest Gallery is presenting an exhibition in support of our farming communities.

The Forest Gallery is nestled in the heart of the Wellsford Forest, Epsom (15 minutes from the Bendigo fountain). Terry Jarvis is the Gallery's resident Artist and is an award winning Artist and Tutor at home and abroad.

Water colour is Terry's favourite medium and this exhibition will feature his work depicting life on the land with an array of farming and related scenes. All art works will be for sale and profits will go directly to supporting our farming families.

The exhibition will also incorporate rustic displays and art work for sale.

Shine up your boots, put on your best farming clobber and come along.

Venue – The Bendigo Town Hall

Date - Opening Night - Friday 8th November 2019. 7 – 9pm.
