

Learn how to write successful grant applications

Each year the City provides approximately \$1M in grant funding. The following grant types are available:

- **Small grants** – up to \$3,000
(can apply at any time)
- **Community Group Essentials grants** – up to \$3,000
(can apply at any time)
- **Medium grants** – up to \$10,000
(opening March 2)
- **Bendigo Town Hall Community Use Subsidy program**
(can apply at any time)

Workshop sessions presented by the City of Greater Bendigo are designed to help your organisation find funding opportunities and increase your chance of being successful. These skills can also be used when applying for other grant opportunities. They are designed for new and experienced grant writers looking to brush up on their skills.
